CRRT Inc.

Co-Organizer

The Asian Pacific Society of
Nephrology

Endorsed by

International Society of
Nephrology

We are pleased that The Asian Pacific Society of Nephrology (APSN) officially joins to co-organize the 2nd Asia Pacific AKI CRRT Congress 2018. With APSN's support, we surely are moving towards a new chapter of providing better care of AKI in the Asia Pacific region.

"Acute Kidney Injury is one of the most serious kidney problems that can cause major morbidity and mortality in the Asian Pacific region and the world. It is also one that can be prevented, in both the developing and developed world.

We think this congress can help to enhance the capacity building to have better prevention and management of AKI in the region."

Phili KT Li, President of APSN
